APEC SDGs APP
APEC Cyber Academy

1-7-2020

Introduction

APEC SDGs is a mobile APP that coincides with the “How to Make the World More Inclusive and Sustainable? Striving for SDGs (UN SDGs)” program in APEC Cyber Academy (http://linc.hinet.net/apec/). The APP provides mobile access to the abovementioned program for the goals of igniting more interpersonal interaction among participants and demonstrating students works to the public.

Features

Key feature of APEC SDGs lies in demonstrating student artifacts in the “How to Make the World More Inclusive and Sustainable? Striving for SDGs (UN SDGs)” program. Meanwhile, when a student artifact is presented in the APP, it will come with peer evaluation components such as rubric and feedback.

In addition to illuminating student works, here are some other functions or content that constitute the APP:

- GNC (Global Networked Collaborative) PBL Course Units
- Notification of Updates on Student Works
- Performance Rankings on Teams and Individuals
- Search for Participants
- Personal Information including Choices of Avatars

Instruction

Please select the QR Code in Table 1 or Table 2 based on the system of your device to download and install the APP respectively. After installation of the APP, please key in your USERNAME and PASSWORD in APEC Cyber Academy respectively to enter the APP (Figure1).

The snapshot of the login page of APEC SDGs APP

After entering the APP, you could see a navigation bar, which is beneath the homepage of the APP, with four icons for access. Please refer to Figure 2.
Here is a glimpse of the services in the APP.

- **Home**: The homepage of the APP for accessing Personal Information and GNC PBL Course Units.
- **Individual Ranking**: It presents the frequency and time of each individuals on accessing the program in the formats of weekly, monthly, or yearly data.
- **Team Ranking**: It presents the status quo of each team in all course units.
- **Showcase**: This is the key component of the APP. It allows you to access to all student works in the program. It even provides peer evaluation feature for each
In addition to the navigation bar, you also could find a menu on the top of the homepage. The menu provides following features for you to explore:

- **Contact Us**: Contact information about the manager of the APP.
- **Search Members**: For acquiring more information about specific participants in the program.
- **Go To ACA**: Go to the website of APEC Cyber Academy (http://linc.hinet.net/apec/).
- **Settings**: Choose your Avatar (Propic).
